DENNIS A. PELLETIER
1949-2004

Dennis Pelletier was elected NYSAC's First Vice President in September 2003, after serving four years as a member of the association's Board of Directors. He also served as President of the NYS Association of Chairs of Legislative Boards, a NYSAC affiliate.

Dennis Pelletier served as President of the Monroe County Legislature from 1998 through 2003 and had been a member of the legislature for 11 years. In 2003, he was appointed Executive Director of the Monroe County Water Authority, the position he held at the time of his death.

During his career in county government, Dennis developed a strong reputation for his hard work to become fully informed on the issues. As President of the Legislature, he encouraged active debate concerning the impact decisions made by elected leaders would have on the lives of the citizens they represent. Even after the most contentious debates, Dennis was renowned for visiting the legislators he might have disagreed with to make sure that the tone of the political discussion was never personal and to attempt to achieve consensus on the important work ahead.
