NYSAC News is the official publication of the New York State Association of Counties (NYSAC), a municipal association serving all 62 counties of New York State including the City of New York. NYSAC's mission is to advocate, inform and educate on behalf of our member counties at the federal and state levels.

### **Submissions**

Submissions may be sent by email to [mlavigne@nysac.org](mailto:mlavigne@nysac.org). Submissions should be 750 to 1,000 words and include a high resolution digital head and shoulders photograph of the author. All submission requests are subject to editing for clarity, content and/or length.

### **Advertising**

Advertising in the NYSAC News magazine is an investment in your company's future. An ad in our magazine places your company in front of thousands of elected and appointed government officials across New York State.
