Executive Order # 2023-01

DECLARATION OF A LOCAL STATE OF EMERGENCY

Chemung County Sustainable Migration Plan

I, Christopher J. Moss, County Executive of the County of Chemung, State of New York, do hereby declare as an EXECUTIVE ORDER the following:

WHEREAS, there is a national immigration crisis at the border between the United States and Mexico in that unprecedented and overwhelming numbers of migrants and asylum seekers are crossing over the open border of the United States; and

WHEREAS, the Federal government has failed or refused to anticipate and react to the exigent and emergent circumstances, resulting in thousands of migrants and asylum seekers crossing the U.S. border; and

WHEREAS, the Governor of Texas has seen fit to relocate thousands of migrants and asylum seekers crossing the Texas border to New York State, rather than address issues presented to its state and/or the Federal government; and

WHEREAS, I have reason to believe that migrant and/or asylum seekers could be transported to Chemung County; and there is no reason to believe that these migrants or asylum seekers will leave Chemung County; and

WHEREAS, there is a reasonable apprehension of immediate danger of public emergency of potentially thousands of persons being transported to Chemung County and that Chemung County will be responsible for the public safety of these persons and all others effected in Chemung County; and

WHEREAS, The County of Chemung is not capable of receiving and sustaining such volume of migrants and asylum seekers, whose presence will spike the number of people in need of government services at all levels of government in the County; and

WHEREAS, there is no legal basis to provide adequate services to these migrants or asylum seekers by the County's Department of Social Services because of their age and immigration status; and

WHEREAS, The County of Chemung anticipates potential civil disobedience and protesting on this issue both for and against the transportation of migrants/asylum seekers to Chemung County; and
WHEREAS, local zoning codes do not allow use of temporary residence hotels or other temporary residence facilities for use as long term residential housing; and

WHEREAS, that due to the above circumstances, I find reasonable apprehension of the immediate danger thereof that public safety is imperiled thereby, for not only the migrant and asylum seekers, but also to the other affected residents of Chemung County; and

Pursuant to NYS Executive Law § 24, when a State of Emergency is in effect, the County Executive may promulgate local emergency orders to protect life and property or to bring the emergency situation under control. By law, upon reconsidering all the relevant facts and circumstances, such an order may be extended for additional periods not exceeding five days each during the pendency of the state of emergency.

If it were allowed for the City of New York or other municipalities to flood the County with persons needing services, as described in the related Declaration, this crisis would only worsen.

NOW, THEREFORE, I, CHRISTOPHER J. MOSS, Chemung County Executive, by virtue of the authority vested in me as Chief Executive of Chemung County, it is hereby ordered:

3. Any remedy or penalty specified in this section may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in this Emergency Order or in any other applicable law.
