NYSAC’s Payment Solutions (P-Card) Program, in partnership with PFM, provides counties with a tool to create an annual revenue stream, simply by paying your bills. The P-Card payment method may help reduce the typical requisition process and related costs associated with purchasing materials and services. The P-Card, which is a special type of credit card, streamlines the purchase of supplies, furniture, construction materials, road salt, utilities and much more, saving staff time and money for your county.
