Your purchases make a difference: JOBS!
The NYSID Mission:

Advancing employment and other opportunities for individuals with disabilities
A not-for-profit member agency organization, NYSID is an ever-growing partnership of 160+ community rehabilitation agencies and private sector New York State businesses that provide jobs in nearly every county.
New Yorkers with disabilities provide quality products and services every day through the legislatively-mandated Preferred Source program, satisfying the purchasing requirements of New York State and local government customers.
• 4.3 million hours of Preferred Source employment
• $68.7 million in Preferred Source wages earned
• $15.95 average hourly wage
Our workers provide **VALUE**: 

- By producing, packaging and distributing over 1,000 different New York State-approved commodities

- By satisfying specific agency needs with customized products such as apparel, folders and envelopes and other one-of-a-kind items
Our workers provide **VALUE:**

- By fulfilling business services needs like office and mailroom support, records management, data imaging, secure document destruction, grounds maintenance, and more

- By making more than 400 individual cleaning sites sparkle
With so many different Preferred Source job choices, people working on NYSID contracts are meeting individual employment goals, including service disabled veterans.
Corporate Partnerships

The Corporate Partnering Program develops business opportunities between NYSID agencies and private vendors to create new integrated work opportunities for people with disabilities.

NYSID partners with NYS-certified MWBEs like Rayben Enterprises and Action Window Cleaning. Another MWBE partner is Paper Alternatives, who works with NYSID to provide data imaging services.
QUALITY AND VALUE FOR STATE & LOCAL GOVERNMENT:

• A single source for hundreds of products and services that support agency goals

• Procurement choices, including customized goods and services, at prices approved by the NYS Office of General Services

• Relief from the costly, time-consuming bidding process

• Consistent QUALITY and delivery performance
