Venesky & Company is one of the most respected providers of governmental accounting services in New York State.

As a dedicated partner of NYS Counties seeking to obtain Federal and State reimbursements, we maintain an extensive knowledge base of regulations and legislation impacting government departments. As a NYS Company, we can adapt quickly to changes in reimbursement opportunities for our clients. Additionally, we can use our large network of contacts to provide timely information, best practices, and solutions deployed by their counterparts.

Our Team is comprised of a diligent group of people with diverse educational backgrounds and experiences. Our staff works tirelessly on behalf of our clients and we believe our ability to learn quickly and innovate allows us to provide an outstanding customer experience.

For over 40 years, our unrivaled accounting and technology services combined with our laser focus on County Governments, has produced over a hundred million dollars in reimbursements for our clients. We are excited to see what the next 40 years will bring for our partners.

---

**Justification of Activity and Chronology Keeper**

The JACK Time and Activity Tracking System was developed specifically for NYS County Public Health Departments. The purpose of this cloud-based software is to document 100% of employee time to support Article 6 State Aid and State & Federal Grants. **JACK IS COMPLIANT** with the Requirements of Time and Effort Reporting detailed in the Federal Office of Management and Budget (OMB circular, OMB 2 Chapter I, Chapter II, Part 200, commonly known as the Uniform Guidance or Super Circular).
