Business & Industry Loan Guarantee Program (B&I)
Renewable Energy for America Program (REAP)
Value-Added Producer Grant Program (VAPG)
B&I CARES Act Program
Rural Business Development Grants (RBDG)

This program provides grant money to assist with economic development planning and/or the financing or expansion of rural businesses.
Rural Business Development Grants (RBDG)

- Grants to support the development of small private businesses in rural areas.

- Applicants can be:
  - Public bodies
  - Private/ Non profit corporations

- No size limit, however, highest priority is for applications of less than $100,000.

- New York State has historically been allocated approximately $800,000 each year.

- Application window varies
Rural Business Development Grants (RBDG)

- Grant funds can be used for:
  
  - Training and technical assistance, such as project planning, business counseling/training, market research and feasibility studies
  
  - Acquisition or development of land, easements, or rights of way; construction, conversion, renovation of buildings; plants, machinery, equipment, access for streets and roads; parking areas and utilities
  
  - Pollution control and abatement
  
  - Capitalization of revolving loan funds, including funds that will make loans for start-ups and working capital

  - Distance adult learning for job training and advancement
  
  - Rural transportation improvement
  
  - Community economic development
  
  - Technology-based economic development
  
  - Feasibility studies and business plans
  
  - Leadership and entrepreneur training
  
  - Rural business incubators
  
  - Long-term business strategic planning
  
  - Equipment leasing
Business & Industry Loan Guarantee Program (B&I)

This program improves the economic health of rural communities by increasing access to business capital through loan guarantees. This enables commercial lenders to provide affordable financing for rural businesses.
Please keep in mind – **USDA is not the lender** – the process starts with your local lender.
# Business and Industry Loan Guarantee Fees & Costs

- The value of the collateral (fair market value) must be equal to or greater than the loan amount.
B&I CARES Act Program: Appraisal Guidelines

- Appraisals of real estate and chattel collateral are required when the amount of the loan exceeds $1,000,000, unless the chattel is newly acquired equipment and the value is supported by a bill of sale.

- Notwithstanding the provisions of § 4279.144, the Agency will accept appraisals older than 1 year but completed within 2 years of the application date.

- Lenders may provide an updated appraisal in lieu of a new complete appraisal when the original appraisal is more than 2 years old.

- During the COVID-19 pandemic, an interior or on-site inspection of the collateral is not required under certain circumstances.
B&I CARES Act Program: Capital and Equity Requirements

• 10 percent balance sheet equity;
• Balance sheet equity that includes owner-contributed capital of 10 percent or more of total fixed assets; or,
• The business must invest other funds into the project equal to 10 percent or more of total eligible project costs.
B&I CARES Act Program Application Requirements

• Loans for working capital are classified as categorical exclusions for purposes of the Agency’s environmental requirements

• A draft loan agreement is not required at the time of application

• A business plan or feasibility study is not required

• Lenders may substitute and rely on the borrower’s tax returns when financial statements prepared in accordance with GAAP are not available from the borrower

• Agricultural producers’ financial records must meet the industry’s standard accounting practices

• We encourage the use of § 4279.161(c), simplified applications, for loan applications of $600,000 and less.
