DENNIS A. PELLETIER
1949-2004

The County Governor Institute has evolved from the
Dennis A Pelletier County Government Institute,
named for former NYSAC First Vice President and
Monroe County Legislature President
Dennis Pelletier.

During his career in county government,
Dennis developed a reputation for his hard work
to become fully informed on the issues. As President
of the Legislature, he encouraged constructive
debate on issues that impacted the citizens of
Monroe County. Even after the most contentious
debates, Dennis was renowned for visiting
colleagues he may have disagreed with to make sure
that the tone of the political discussion was never
personal and to attempt to achieve consensus on
the important work ahead.
