## RESOLUTION NO. 113 OF 2023

RESOLUTION INTRODUCED BY SUPERVISORS STROUGH AND THOMAS

### CALLING ON THE STATE OF NEW YORK TO CONTINUE TO PASS-THRU AFFORDABLE CARE ACT ENHANCED FEDERAL MEDICAID ASSISTANCE PERCENTAGE FUNDS

WHEREAS, the State Fiscal Year (SFY) 2024 State Budget proposal would end the Affordable Care Act (ACA) enhanced Federal Medical Assistance Percentage (eFMAP) federal pass-thru to counties and New York City, and

WHEREAS, the State is proposing to keep all of these federal savings going forward and use them to cover further expansion of Medicaid eligibility and benefits and to increase payments to health care providers, and

WHEREAS, the elimination of this ACA eFMAP federal pass-thru will require the 57 counties to spend at least \$280 million more in SFY 2024, and approximately \$1 billion when New York City is included, and

WHEREAS, the SFY 2024 costs to counties and New York City are scheduled to grow by 30% by SFY 2027, and

WHEREAS, it is the strong view of NYSAC that congress intended these federal savings to be shared with counties proportional to the amount they contributed toward the non-federal Medicaid match, and

WHEREAS, since 2003, the state has shared the funds proportionally based on our analysis of savings we have received during periods when an enhanced federal Medicaid match was enacted by Congress, and

WHEREAS, enacted in 2011, the Medicaid statutory cap for all 62 counties is \$7.6 billion, and the Medicaid statutory cap for the 57 counties outside of New York City is \$2.25 billion, and

WHEREAS, starting in SFY 2014, New York began sharing these federal ACA savings directly with counties; the savings for a year were provided by lowering the weekly payments each county and New York City make to the State to support the State's Medicaid program and through February 1, 2023, the State continues to share the federal savings from the ACA eFMAP with the 57 counties and New York City, and

WHEREAS, counties strongly disagree with the need to cut county funding so deeply when the Governor's Budget proposes to fully fund its own reserves two years ahead of schedule depositing \$5.4 billion into reserves before the end of SFY 2023, while also projecting a general fund surplus of \$35 billion by the end of SFY 2024, now, therefore, be it

RESOLVED, that the Warren County Board of Supervisors calls upon the Governor and Legislature for the State of New York to continue to pass-through enhanced Federal Medical Assistance Percentage funding to the 57 counties outside of New York City as has been the precedent established for over 20 years,
