

Dear Attendee,

Please contact any of the hotels listed below for alternative accommodations. Please note that all of these hotels are in the direct vicinity of the Crowne/Desmond. The area is filled with great hotels to choose from and staying at an alternate hotel is not a problem in quality or experience in terms of your conference attendance.

VERY IMPORTANT INSTRUCTIONS - PLEASE NOTE!

Your hotel reservation is completely unrelated to any quoted rates on our hotel registration form. **You must book your room per whatever rate your hotel offers.** Alternative hotels are not connected in any way to the NYSAC conference rates. Your room rate will not be related in any way to the room rate listed on the conference flyer. Many will ask you to pay with a credit card. It is possible that you will actually find rates to be lower than the Desmond :)

Meal tickets can easily be purchased during conference online registration. You may pay with credit card or check for your chosen meal package by day, or you may choose to be invoiced directly to your county address. Please note that staying at a hotel other than the Crowne/Desmond DOES NOT exclude you from any functions, meals, or receptions at the conference. Simply pre-register for the meal package you want to purchase and pay for them online or at the conference. The meal packages are priced at the very same rate that a Crowne/Desmond guest would pay on their own.
