

# Protect Employees with Automated COVID-19 Employee/Visitor Questionnaire

*August 10 - Webinar*

**Mark LaVigne, PhD**  
Deputy Director

**NYSAC**<sup>®</sup>  
NEW YORK STATE  
ASSOCIATION OF COUNTIES

The background features a blue-toned collage of scientific and technological elements: a DNA double helix, several virus-like particles with spiky surfaces, a wireframe globe, and various flowcharts and arrows. A semi-transparent white box is centered over the image, containing the main text.

# **ENTERPRISE WIDE HEALTH MONITORING**

COMPLY - ASSURE - PROTECT

# *About ActionTrac*

- In office versus Out of office
- Ensuring the right people get notified.

# ActionTrac Enterprise Questionnaire Solution

Unifies screening requirements across organizations, including times, audiences and administration and automates much of the processes.

## Starts with the Employees: Mobile or Desktop

Hi Bill,

Below is your COVID-19 daily Health Screening Questionnaire link. The first page of the Questionnaire will give you the opportunity to click on **"Yes"** or **"No"** if you will be at the workplace today. By clicking "Yes" you will then proceed to complete the Questionnaire

[https://actiontrac.net/Recognize/covid\\_survey/survey-email-login/063821b3b6b8b301a71e55b99ded8dd0](https://actiontrac.net/Recognize/covid_survey/survey-email-login/063821b3b6b8b301a71e55b99ded8dd0)

Today 4:08 PM

Hi Joe Roberts,  
You submitted your Questionnaire  
at 04:08 PM PST on 08/09/2020  
The status is PASSED.  
Thank You
